Placement Interest:

If rehired, the Office of Residential Life will make staff placements based on the strength and skill set of each individual staff member to build the best teams of support for our students. However, when at all possible, we will try to honor placement interests of returning staff members. If you have a placement preference, please indicate that information below. If you are interested in serving as the RPL for a themed community, such as single-sex, substance-free or quiet intensive, please indicate that interest, as well.

Please include a brief summary as to why these are your interests.

Reflection:

Please answer the following five questions on (a) separate piece(s) of paper(s) (typed) and attach them to this form:

- What has been the most meaningful aspect of your RPL position this year?
 - What has been the most challenging?
 - What skills have you developed in your current position?
 - If you return, what would you like to improve upon?
 - In what ways would you continue to contribute to the community and to the Residential Life staff?
